Report of Principal and School Improvement Council

We had a year of change in 2012-13 at Joseph S. Shanklin Elementary School! Updated and well-maintained facilities provided 21st century technology access and a safer, secure, and inviting campus for the school community. Fifth grade moved to the middle school, and we continued with Prekindergarten through Grade 4 classes. Teaching and learning was our top priority with demands for increased academic rigor for all our learners while promoting a positive, nurturing, and responsive school culture. Several newcomers to the staff collaborated with veteran Shanklin teachers to provide a laser-like focus on teacher effectiveness to positively impact student learning.

As we strived to achieve the learning growth that earned us Palmetto Gold and Silver Awards from Spring 2012 PASS student scores, we focused on understanding and implementing the Common Core State Standards this year. Literacy and numeracy were our instructional priorities, along with hands-on Science learning, to engage our students. Full implementation, in every classroom, of the rigorous Everyday Math Program with the support of our part-time Math Coach, has resulted in very positive student growth. Implementation of the District Balanced Literacy Plan, with the guidance of our full-time Literacy Coach, has also resulted in significant growth in student literacy. Our Measures of Academic Progress (MAP) data from Fall 2012 to Spring 2013 shows that students in 4 of our 5 grade levels met or exceeded growth targets in both math and reading this year. Full implementation of the South Carolina TAP model, with our highly experienced TAP Master Teacher, directed professional development and teacher learning to enhance student achievement. Developing a culture of reflection and coaching with our certified staff is making a significant difference for children. Implementation of Positive Behavioral and Intervention Supports promoted student learning and resulted in a significant decrease in discipline issues. Students loved earning Sand Dollars for making good choices!

To support our families and increasing challenges at our Title I school, we created a Parent Liaison position to promote home/school connections. Our Meet and Greet, Open House, Math Night, Kids' Clubs, Fun Day and Family Picnic were all very well attended and helped to build very positive support from our families. Student performances for parents, the Veterans' Day Program with the USMC Band, our Family Thanksgiving Celebration, and Chorus performances at Habersham further engaged our families and community. A strong partnership with United Way of the Low Country provided programs and volunteers that worked with our very young students to promote literacy, and it is hard to tell whether the children or the adults enjoyed it more! A continuing emphasis on support services for our students and our families, as well as our customer friendly focus, is helping to promote a very positive culture of learning Where Hard Work Pays Off with Excellence at Shanklin Elementary School! We continue to make decisions in the best interest of our children, and together we will help our students learn to the fullest of their potential.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	48.0
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Joseph S. Shanklin Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☒ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
